

**Victoria County Groundwater Conservation District
Notice of Proposed Permit Issuance**

Notice is hereby given in accordance with Rule 12.2: NOTICE AND SCHEDULING RELATED TO HEARINGS AND PROPOSED PERMIT ISSUANCE of the Rules of the District that the Victoria County Groundwater Conservation District proposes to issue a production permit authorizing the production of groundwater from a water well for non-exempt uses on July 31, 2024.

Mr. Scott McMillan for Redrocker Development seeks, under permitting request case PRC-20240523-02, a standard-capacity non-historic-use production permit authorizing the production of groundwater from a non-grandfathered well NW-000211 for commercial uses at rates not to exceed 80 gallons per minute or 5.08 acre-feet per year. The subject well is located on a 14.08-acre tract of land near the intersection of Winter Ln. and FM 236 in Victoria County, Texas.

Any person who intends to contest a permit application must provide written notice of that intent to the District at 2805 N. Navarro St., Suite 210, Victoria, Texas 77901 at least three calendar days prior to the proposed date of permit issuance as published in this public notice. For more information regarding this matter, contact Tim Andruss, General Manager, VCGCD at 361-579-6863 or at admin@vcgcd.org.
